**RE: Explore EC**

This is to confirm that the Eastern Cape Parks and Tourism Agency supports the Explore EC publication. Explore EC is a quarterly publication that focuses on the tourism, economic challenges, development, heritage and monuments as well as celebrates the icons who were born in the province.

EC Explores main objective is to position the publication as the marketing mouthpiece of the Eastern Cape Tourism and Hospitality industry as well as to create jobs in the province. Your support towards ensuring relevant content is provided and that the provincial tourism offering is fairly represented would be greatly appreciated.

Yours sincerely
